

AWS Storage Services Cost Comparison Tool

18 Oct 2021 : This tool no longer seems to be available. Let us know if you find it!

This handy new (as of May 2020) tool provides a quick comparison of storage costs across a huge variety of AWS services, including S3, Glacier, EBS, EFS, DynamoDB, and RDS. <https://www.duckbillgroup.com/aws-super-simple-storage-calculator/>
