2021-02-09 Initial Review of SiteImprove Issues

ACTION ITEMS:

- user-18112 will create GitHub issues for all Siteimprove issues and we will meet again in two weeks
- Melissa Wallace will schedule next meeting for two weeks

Notes:

Initial Review:

- user-18112 will look at all SiteImprove issues to get the big picture of how best to approach addressing accessibility. The issues will be put in GitHub targeted as curated content related or application related.

After Initial Review, the generate approach will be:

- Each select 3-5 class of issues
- Meet every other week for quick standup style check-in

Target Date:

- Technical staff deadline: end of May
- Library staff content deadline: end of August

Attendees

- Kevin Kidwell, Melissa Wallace, Lynette Rayle, Darcy Branchini
