

Amendments to Licenses: adding, editing, and deleting

Add an amendment to a license

Steps

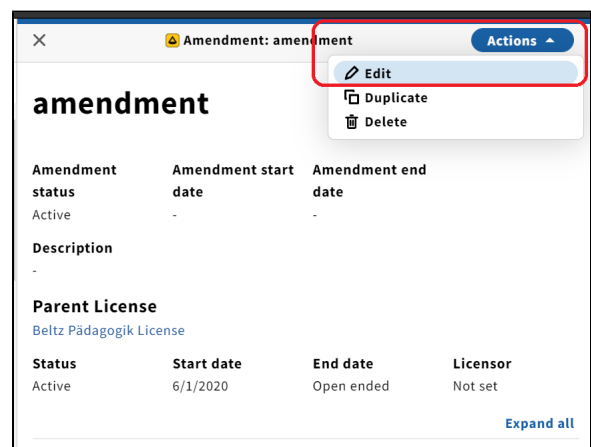

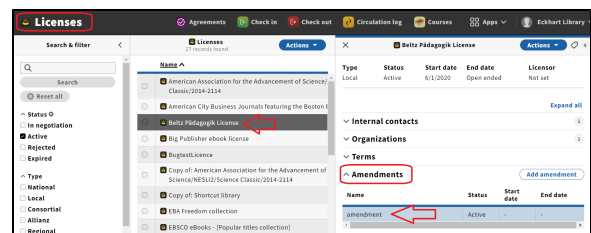

1	Open Licenses app and select license
	Expected Result
	License displays in view pane
2	Open Amendments accordion in license view
	Expected Result
	See "Add amendment" button
3	Click "Add amendment"
	Expected Result
	Amendment edit screen displays
4	Fill in minimum data for amendment (name, type, status) and click Save & Close
	Expected Result
	License search results displays with newly created Amendment in the view pane

Edit an amendment

Steps

1	Open Licenses app and select license that has an amendment
	Expected Result
	License displays in view pane
2	Open Amendments accordion in license view
	Expected Result
	Existing amendment is listed
3	Click on Amendment name
	Expected Result
	Amendment opens in view pane
4	Click "Edit" button
	Expected Result
	Amendment opened in Edit mode

5	Make a change to the amendment name and click "Save & Close"
	Expected Result
	Amendment displays in view pane with changed name

The screenshot shows a form titled 'amendment'. The 'Name' field contains 'amendment - edit' and has a red arrow pointing to it. The 'Status' is 'Active'. There are fields for 'Start date' and 'End date', both with date pickers. A 'Description' field is below. At the bottom, there's a 'Core documents' section with an 'Add core document' button. The 'Save & Close' button is highlighted with a red box.

Delete an amendment

Steps

1	Open Licenses app and select license that has an amendment Expected Result
	License displays in view pane
2	Open Amendments accordion in license view Expected Result
	Existing amendment is listed
3	Click on Amendment name Expected Result
	Amendment opens in view pane and Actions button displays at top right
4	Select "Delete" from Actions menu Expected Result
	Delete confirmation dialogue is show
5	Click Delete Expected Result
	Amendment is deleted, License shows in view pane

- See screenshot 1 from "Edit an amendment" for steps 1-3.

The screenshot shows the 'amendment - edit' form. The 'Actions' menu is open, showing 'Edit', 'Duplicate', and 'Delete' options. The 'Delete' option is highlighted with a red box. The form fields show 'Amendment status' as 'Active', 'Amendment start date' as '-', and 'Amendment end date' as '-'. The 'Description' field is empty. The 'Parent License' is 'Beltz Pädagogik License'.

The screenshot shows a 'Delete amendment' confirmation dialog. It states 'Amendment amendment - edit will be deleted.' and has 'Cancel' and 'Delete' buttons. The 'Delete' button is highlighted with a red box.
