

# Processing a ceased serial (LTS Procedure #169)

**Scope:** This document outlines the process that Library Technical Services serials staff follow when processing a serial that has been ceased. Note: In the case of a ceased serial, Paul Heckathorn (pjh25) (E-Resources & Serials Assistant) should be notified after taking the steps below. Jarrett Villines (jcv44) (Public Services Assistant) should be notified so he can bind what is unbound in the stacks.

**Contact:** [Joanna Cerro](#)

**Unit:** Serials Management

**Date last updated:** 2/17/2022

**Date of next review:** February 2023

1. In the Receiving app record of the ceased serial, delete all pieces populating the *Expected* field if we know we won't be receiving the issue(s). Click each individual piece and selecting *Delete*.

date	Receiving note	Order type
	olin PS 617 .J83 CEASED AFTER NO. 39 (2021)	Ongoing

2. Open the Instance record in the Inventory app by clicking on the title at the top of the Receiving record, which is a link. You'll want to open the link in a new tab so you can easily navigate back and forth between Receiving and Inventory.
