Nolana (Past Version)

Bug Fest:
`COMPLETE`

Released:
`COMPLETE`

Hot Fix 1:
`PENDING`

Hot Fix 2:
`PENDING`

Hot Fix 3:
`PENDING`

New Features

- Bulk Edit; Additional functionality - The new Bulk Edit app will be added to FOLIO. This app will allow staff to update batches of records either via a web interface of csv file.

*Features may or may not be activated right away. Some new features require policy and workflow changes before they can be enabled.
