You can register to be a member of the club here

## ClubFest

<https://scl.cornell.edu/clubfest>

An in-person fair that happens at the beginning at the beginning of each semester, though not all clubs participate

## Clubs some of us have participated in + why they're interesting

### Indonesian Association at Cornell 🇮🇩

You know, it's our people

### Piano Society at Cornell

They offer piano lessons, taught by students, at a very affordable price (for US standards). For example, as of April 17th 2024, you only need to pay **\$50 per SEMESTER for a once a week 60-minute lesson!!!** If you sign up to be a student teacher, you also get free access to grand piano rooms at Lincoln Hall, along with many other benefits related to access at the music department.

### Cornell Gamelan Ensemble

Usually practices every Monday evening. Very welcoming, and sometimes collaborates with us for events. As of April 17th 2024, it consists of 100% non-Indonesians and 0% Indonesian, including the instructor, Chris. Interesting, right? They also have a spin-off band that plays gamelan-indie rock fusion music.
