

## Training & Documentation

The following table represents the keys used in this architecture table and their meanings.

Key	Meaning
R	<i>Research</i> - Technology may be under evaluation and is not being used in production
P	<i>Pilot</i> - Technology approved for small-scale production use only.
I	<i>Invest</i> - Technology recommended for wide-spread deployment.
M	<i>Maintain</i> - New implementations are not encouraged. Existing systems may continue to rely upon these components and extend existing implementations. Product may be maintained but not planned for upgrades except bug fixes.
D	<i>Disinvest</i> - Technology is in the process of being phased out.
U	<i>Unsupported</i> - Technology is not advised for use in production systems.
