## Peer Evaluations

Each AguaClara team member will complete the online survey, by following the link below. The online survey will help us assess how well team members have integrated into their subteams. It will also help us learn how well they comprehend the goals and objectives of their subteam.

The survey also asks about the leadership within AguaClara. These comments will be a useful tool for the student leaders as well as for Monroe to help make the team run more efficiently.

Be completely honest while filling out the survey, the results will not be shared.
