

Outreach Quiz

Outreach Quiz

This Outreach Quiz is from Fall 2009. Some of the information is no longer relevant. This has not been updated or used this semester.

The goal of this quiz is to familiarize new members of the AguaClara Outreach team with its goals, function, and other pertinent information.

- 1.) What is the URL for The Wiki?
- 2.) Please provide a brief description of the primary goals of AguaClara (more specific than bringing cleaner water to folks in need).
- 3.) What are the two partner organizations that AguaClara works with in Honduras?
- 4.) How many AguaClara sites are operating today and in which towns are they?
- 5.) Please provide a brief description of how AguaClara water treatment plants function.
- 6.) What are the primary goals and intentions of the Outreach Team?
- 7.) How does the function of the Outreach team contribute to the overall function and success of AguaClara as a whole?
- 8.) Please provide the names and email addresses of three different members of the AguaClara Team to whom you could direct questions.
- 9.) Please provide the title of a grant that AguaClara Outreach either has applied for in the past, or could apply for in the future.
- 10.) Please describe how you would like to contribute to the operation of the Outreach Team.
- 11.) How would one contact Carlos Miranda, the president of The Association of Municipalities in Honduras?
- 12.) Once the water treatment plants are constructed, who maintains and operates them?
